Germany **e-mail** office@maschinenbau-richter.de
 internet http://maschinenbau-richter.de **VAT No.** DE188500434

Our **years of experience** means that we have **built up expertise** in

- **servicing,**
- **repair** and
- **maintenance**

for **gear production machines** for the following manufactures:

- **Lorenz shaping machines**
 - Type: SN 4 – 8, SNJ 5 – 7, LS-series
- **Pfauter milling machines**
 - Type: P 250, P 251, P 400, P 1251
- **Hoefler grinding machines**
 - Type: H 630/800, H 1001, H 1250, Helix-series, Rapid-series
- **Heidenreich & Harbeck bevel gear machines**
 - Type: K**, KH-series
- **Other manufacturers** on request
 - TOS, Schiess, Wotan, Liebherr

Our Services include the

- **conversion,**
- **set up** and
- **recommissioning**

of machines.

Our **specialist training** enables us to

- **maintain** or
- **restore**

the **quality and performance** of tooth gear milling machines.

We can carry out

- **structural control**
- **calibration**
- **true running**
- **bedding in machines**

Cost overview for service calls:

inland activities	€ 70.00 – € 90.00 per hour acc. to job
activities abroad	acc. to agreement
travelling expenses	€ 55.00 per hour
expenses	going rate
overnight costs	as per receipt
travel costs	€ 0.60 per km
